

Summer Reading Log

Name: _____

Research shows that continuing daily reading habits is very important to maintain reading skills. Over the summer, students will be expected to read **three** books of their choosing. They will do a book talk about one of the books in the first weeks of the school year. Please go to my website for more information about this assignment: www.simpsonela.weebly.com. Students should write down their summer reading below.

Title of Book	Author
